The Provident Life and Trust Company OF PHILADELPHIA

The true objective in the management of a Life Insurance Company is two fold :
 First, to maintain perfect security ; and second, while respecting the rights of every policy-
 holder to reduce the cost of insurance. Judged by this standard, the PROVIDENT claims
 to be unexcelled.

The **New Policies** of the Provident are unsurpassed for conciseness and sim-
 plicity of form and for adaptability and liberality in all essentials.

The **Premium Rates** of the Provident are exceedingly low and are still further
 reduced by large annual dividends.

Security Safe Deposit Co.

BOSTON

THE New safe deposit vaults of this Company, at 30 Congress Street (in the New Stock Exchange Building) are the strongest and most completely equipped vaults that human skill can construct when guided and directed by an experience of over thirty years of safe deposit work.

The Security Safe Deposit Company was incorporated in 1879 and has from that time to the present devoted itself exclusively to the conducting of a Safe Deposit and Storage business in the City of Boston.

For years its vaults in the Equitable Building were deemed models and its methods of management and maintenance copied. To the construction and maintenance of these new vaults it now applies all those lessons learned during its thirty odd years of corporate growth. Experience counts in the Safe Deposit business as in everything else.

The Value of Being Exact

Is nowhere greater than in your business

Know your customers by their full name

Know where they are located

Know others in the same line who may become
your customers later

Know that your mailing list is up-to-date and
contains no dead ones

Permit all to Know

Who you are

Where you are located

What your full line consists of, and

How it is for their interest to trade with you
by placing your advertisement in

The **Directory**, where it is always at hand
when wanted, and shows that you
have a local interest which means,
interest in your patrons.

by trying to remember everything, but rather condense the knowledge you have.

Remember only

that the Directory is your ready reference giving the index to your city, its inhabitants and its business. It tells you where to buy and sell your goods, and in the advertising section, will be found the cards of the more progressive manufacturers and dealers giving a descriptive idea of their line.

HAVING every process at our disposal is certainly an essential in Ladies' Apparel, where the goods vary from the heaviest of Scotches, to the sheerest of lawns and of organdies: We are therefore not limited to the simple dry and naphtha, nor to any other single restricted type of cleansing, but apply the method that the material or makeup of the particular article requires.

This fact added to our large experience in the handling of all fabrics, *insure most thorough and careful workmanship, at most reasonable prices.*

The Chronicle

The representative, progressive and
non-sectional newspaper
of Brookline

THIS paper makes no pretense to enter the field well served by Boston daily papers. It aims solely to serve the more intimate life of the community, by printing items of neighborhood news which the dailies do not handle, and by assisting all citizens of the town to come more closely in contact with their common interests.

The news-gathering facilities of the paper are steadily being extended, its circulation is more than keeping pace with the growth of the town, and advertisers are seeing that it is the best local medium in Boston's suburbs.
